## Esri Mobile Applications

Last updated by Chrissy Willow Rothgeb, 2018.05.31

JMU's ArcGIS Online site uses Enterprise login through the University and is protected through our two-factor authentication service, Duo.

When logging into Esri Mobile Applications, you'll be presented with the following screen:

Sprint <b>Q \$ @</b> 🗢 📶 61% 🖬 10:27	<b>₩ % %</b> .nl 61% <b>±</b> 10:27

Survey123 for ArcGIS developed by:	Esri publishes a set of ready-to-use maps and apps that are available as part of ArcGIS. ArcGIS is a mapping platform that enables you to create interactive maps and apps to share within your organization or publicly.

Follow the **Enterprise Login** button, then type "**jmu**" in the organization URL field.

Next choose the "James Madison University" button. You'll be taken to JMU's Shibboleth login page:
